Senoia Multi-Use Trail

Georgia

The Senoia Multi-Use Trail is a 10-foot-wide, paved path that runs from the Ivy Ridge subdivision to Seavy Street. The shared-use path

The Senoia Multi-Use Trail is a 10-foot-wide, paved path that runs from the Ivy Ridge subdivision to Seavy Street. The shared-use path has a mix of paved sections and wooden boardwalks, which are used in the flood plain areas. The trail stays flat and is dog friendly.

Providing a vital link between Senoia's parks, neighborhoods, local businesses, commercial areas, and larger nearby trail networks, the path is open to pedestrians and bicyclists in the City of Senoia.

In addition to serving as a transportation alternative for the residents and visitors of Senoia as they navigate the city, the trail is an enjoyable green space for recreation.
