Highway 93 Trail

Colorado

The Highway 93 Trail sits on the east side of the highway, stretching from North Table Mountain Park down to New Loveland Mine

The Highway 93 Trail sits on the east side of the highway, stretching from North Table Mountain Park down to New Loveland Mine Park. The concrete trail slopes downhill from its north end, providing access to residential developments, restaurants and breweries, schools and parks. It also intersects with other trails in Golden's growing network, including the [Tucker Gulch Trail](#) and the Magpie Gulch Trail that leads out of New Loveland Mine Park.
