The Northpointe Trail is a .21 mile asphalt path that runs alongside Peculiar Drive from 213th St almost to 211th St. Trees line the non-road side of the trail and shelter it from the few buildings it passes. Occasionally the trees line both sides of the trail, shielding it from the road as well. The surface of the trail could use some attention as it is cracked and uneven in places. Along the trail, there are beautiful views of farmland, forests, and fields stretching into the distance.

Northpointe Trail

Missouri

States: Missouri
