Nathan Benderson Park Trail

Florida

As part of Nathan Benderson Park, this 3.4-mile paved trail loops around the park's competition lake. The trail is a popular place

As part of Nathan Benderson Park, this 3.4-mile paved trail loops around the park's competition lake. The trail is a popular place for running, biking, rollerblading/skating, walking, and more. Running parallel to the paved trail is a crushed-shell path. The park itself is roughly rectangular in shape, stretching north and south, with the lake in the center. For those interested in bird-watching, the park is a great place to observe a large variety of birds. As a full service recreational facility, the park offers a wide range of activities and classes.

The park is open 6am to 8pm from April 1 through October 31 and 6am to 6pm from November 1 through March 31. Entrance to the park is free.
