New York

The Marcus J. Molinaro Northside Line is a 0.57 mile dual-track trail that connects trail users between the city and town of

Northside Line and trail users must take stairs to connect and continue along this trail.

The Marcus J. Molinaro Northside Line is a 0.57 mile dual-track trail that connects trail users between the city and town of Poughkeepsie.

While the northern end of the route is still under construction as of December 2023, trail users can currently start at W Cedar St. and head south for nearly 0.6 miles along a wide 16-22 ft, dual-track asphalt trail that carries trail users throughout the heart of Poughkeepsie until reaching its southern end at New York State Route 9G.

At the southern end of the trail, the Northside Line connects to the [Walkway over the Hudson](#) and the [Erie Canalway Trail](#) which stretches from Buffalo to Albany. The Erie Canalway Trail spans a bridge overhead of the
