Watkins Lake County Preserve and State Park

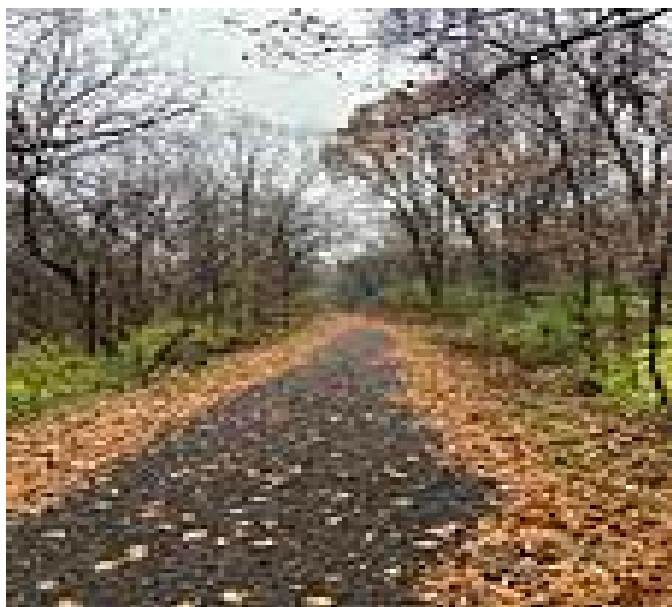

Michigan

The Watkins Lake County Preserve and State Park has a 5.8-mile linear rail-trail that offers scenic views of the lake and landscape

Connections

The plans for the trail include a connection with the [Manchester Bike Trail](#).

The Watkins Lake County Preserve and State Park has a 5.8-mile linear rail-trail that offers scenic views of the lake and landscape as it runs through meadows, woods and wetlands. The trail surface is crushed stone, gravel, dirt and grass.

About the Route

From its western end at the official entrance to the Watkins Lake County Preserve and State Park, the trail heads northeast through meadows, woods and wetlands. The eastern end of the trail is on W Austin Rd in Manchester.

For about 5 miles of the route, the trail follows a former railroad corridor.
