Dry Creek Greenway (CO)

Colorado

Dry Creek Greenway runs for 6.1 miles through Longmont, CO along its namesake creek. The entire trail is paved and offers

From here, the Dry Creek Greenway runs alongside Dry Creek heading east and passes by Willow Farm Park. The eastern end of the greenway offers a short connection to downtown Longmont businesses and restaurants.

Dry Creek Greenway runs for 6.1 miles through Longmont, CO along its namesake creek. The entire trail is paved and offers frequent neighborhood spur trails.

About the Route

The western end of the trail offers two entry points converging at Dry Creek Community Park. The southern route leaves off from the intersection of N 75th St. and Clover Basin Dr. and heads through Blue Skies Park. The northern route also leaves from N 75th St. and follows Dry Creek until reaching the park.

Dry Creek Community Park offers 81 acres of open green space as well as multi-use sports fields and more.
