withstand a 9.0 magnitude earthquake.

The Clackamas River Trail is a 1.8-mile trail that takes trail users alongside its namesake river in Oregon City, Oregon.

## About the Route

Leaving from Main St., where there is parking, the Clackamas River Trail carries trail users east alongside the river on a flat, paved route. Eventually, the trail reaches Washington St., where there is a brief on-road section of the trail.

Take this on-road route to reach the 82nd Rd. pedestrian bridge, perhaps the most beautiful section of the trail, as it gives trail users a clear view of the Clackamas River on either side. The bridge, recently updated, is built to
