Clackamas River Trail

Oregon

The Clackamas River Trail is a 1.8-mile trail that takes trail users alongside its namesake river in Oregon City, Oregon. About the

withstand a 9.0 magnitude earthquake.

The Clackamas River Trail is a 1.8-mile trail that takes trail users alongside its namesake river in Oregon City, Oregon.

About the Route

Leaving from Main St., where there is parking, the Clackamas River Trail carries trail users east alongside the river on a flat, paved route. Eventually, the trail reaches Washington St., where there is a brief on-road section of the trail.

Take this on-road route to reach the 82nd Rd. pedestrian bridge, perhaps the most beautiful section of the trail, as it gives trail users a clear view of the Clackamas River on either side. The bridge, recently updated, is built to
