The East Bighorn River Trail runs through Thermopolis, Wyoming. Although only 0.7 miles long, the trail connects to a few major attractions. At the northern end of the trail, trail users can check out Hot Springs State Park which has several bathing pools and other thermal attractions.

At the southern end of the trail, check out the Wyoming Dinosaur Center.

The East Bighorn River Trail is part of the Great American Rail Trail, a 3,700 mile route that will one day connect Washington, D.C. and Washington state.
