The Dragon Trail is a 45-mile mountain-biking trail that loops around Hardy Pond, which looks like a dragon's tail and gives the trail its fun name.

There are 11 different trail segments, divided by their difficulty levels. Section one at the south end of the trail is ADA-accessible. Most of the trail is graded "easy" or "easiest" except for section 7 which runs along the west side of the pond between 7 Mile Rd. and Beech Ave. It has a maximum 15% grade and a rocky surface. The trail is a two-way mountain biking route.
