Musconetcong Gorge Preserve Loop

New Jersey

The Musconetcong Gorge Preserve is situated in the hilly terrain of North New Jersey. The loop trail takes trail users across the valley

The Musconetcong Gorge Preserve is situated in the hilly terrain of North New Jersey. The loop trail takes trail users across the valley floor and alongside the Musconetcong River. A portion of the trail, the northern end nearest the river, is a rail-trail formed from the former Musconetcong Branch corridor.

Although a rail-trail, this trail is best suited for hiking.
