Long Creek Greenway

North Carolina

The Long Creek Greenway is part of the Long Creek Stream Enhancement Program. Trail users will find several environmental

There are no restrooms located along the greenway.

The Long Creek Greenway is part of the Long Creek Stream Enhancement Program. Trail users will find several environmental interpretive signs as well as signage highlighting the ruins of a Revolutionary-era mill located along the creek.

When completed, the greenway will extend to Oakdale Road. The primary parking lot is located at the Target near Northlake Mall. Several spur trails also connect the greenway to nearby residential neighborhoods.

Mecklenburg County's Long Creek Greenway also includes a nearly one-mile segment east of Dixon Branch that ends at an apartment complex near I-77. There is no parking available at this location.
