The Ridgefield Rail-Trail meanders for nearly 2.5 miles through the forested exburbs of Ridgefield, Connecticut. About the Route The

The Ridgefield Rail-Trail meanders for nearly 2.5 miles through the forested exburbs of Ridgefield, Connecticut.

About the Route

The trail passes among suburban acreages, along a creek at one point, and past a couple of the town's parks and open spaces, including Florida Refuge. The journey will be slightly downhill as you travel from Prospect Street to Florida Road. The trail was built by Connecticut Light & Power.
