*The Pomeroy and Newark Rail Trail offers urban connections to the University of Delaware campus, Newark Shopping Center,*

The Pomeroy and Newark Rail Trail offers urban connections to the University of Delaware campus, Newark Shopping Center, DART Transit Hub and the downtown area, as well as the recreational amenities of White Clay Creek State Park. The trail provides a mostly paved and relatively flat journey, allowing you to head from the heart of Newark into the scenic surrounds with a minimal number of road crossings.

To further enjoy the natural surroundings, continue your journey through the park on the connecting [PennDel Trail](#) off of Creek Road, which branches off from the Pomeroy and Newark Rail Trail to follow the west side of White Clay Creek. If you wish to continue through the city instead, hop on the [James F. Hall Trail](#) from this trail's southern end near S. Chapel Street.
