Lake George Trail

Indiana

As the name suggests, the Lake George trail travels along the north shore of Lake George, turning north at Calumet Ave/US 41 to skirt

As the name suggests, the Lake George trail travels along the north shore of Lake George, turning north at Calumet Ave/US 41 to skirt the east shore of Wolf Lake. From Lake George the trail also heads east and north toward Whiting Park on Lake Michigan, stopping just south of the park at 119th Street. The urban trail provides access to businesses and parks. There are plans to build a pedestrian bridge that will continue the trail to Whiting Park.

Lake George Trail
