Tomahawk Trail Minnesota

The Tomahawk Trail runs for just over 72 miles through the Superior National Forest of northeastern Minnesota. The remote

The Tomahawk Trail runs for just over 72 miles through the Superior National Forest of northeastern Minnesota. The remote trail is one in a series of regional snowmobile trails that you can also hike. It begins at the <u>Taconite State</u> <u>Trail</u> just outside of Ely and continues to the <u>C.J. Ramstad/</u> <u>North Shore State Trail</u> just outside the community of Cramer.
