## Nanamocomuck Trail

*New Hampshire*

*The Upper and Lower Nanamocomuck Trails in White Mountain National Forest are accessible from Kancamagus Highway (SR 112)*

The Upper and Lower Nanamocomuck Trails in White Mountain National Forest are accessible from Kancamagus Highway (SR 112) west of Conway. The trails are open for hiking in summer and cross-country skiing (ungroomed) in winter. The lower trails are easy, while the upper trails are steep in places.

Both trails are scenic and the Lower Nanamocomuck Trail runs along the Swift River for part of the way. You'll find lovely ponds surrounded by densely forested mountains on this peaceful trail.
