Tidioute Riverside RecTrek Trail

Pennsylvania

Located on the western side of the Allegheny National Forest, this trail extends north to south, parallel to the Allegheny River

Located on the western side of the Allegheny National Forest, this trail extends north to south, parallel to the Allegheny River between the towns of Tidioute and Grove Run. The trail retains much of the wilderness appeal of the surrounding forest and offers sights such as a waterfall, a valley of ferns and a variety of wildflowers in the spring. The trail is periodically closed to protect eagle nesting habitat.
