Millstone Hill West Bike Path

Vermont

The Millstone Hill West Bike Path connects the charming communities of Graniteville and Websterville in central Vermont.

The Millstone Hill West Bike Path connects the charming communities of Graniteville and Websterville in central Vermont. The trail is part of the Central Vermont Path, a proposed trail network to connect Barre, East Barre, Westerville, Graniteville and Montpelier.

The paved 10-foot-wide pathway begins at Barre Town Middle and Elementary School and travels south for about 2 miles through mostly wooded areas. It ends near the Rock of Ages Center, a popular attraction featuring a 600-foot-deep granite quarry as well as a factory where visitors can watch sculptors and artisans carve the stone. Near the center, you'll also cross a 54-foot historic bridge.
