Swamp Forest Trail

Delaware

The Swamp Forest Trail loops through Lums Pond State Park on a packed earth surface that accommodates hikers and cyclists. The

The Swamp Forest Trail loops through Lums Pond State Park on a packed earth surface that accommodates hikers and cyclists. The trail is the shorter of two loops; the [Little Jersey Trail](#) runs closer to the perimeter of the park, and the wider trail also allows equestrian use.

True to its name, the Swamp Forest Trail runs through wetland forests on the edge of Lums Pond at the center of the park. Trail users will encounter several bridges and boardwalk sections along the way.
