Maryville-Alcoa Greenway

Tennessee

The 9-mile Maryville-Alcoa Greenway is a 21.2-mile trail with numerous branches and spurs that connects parks and

districts, businesses, nature areas, fitness stations and picnic pavilions.

The 9-mile Maryville-Alcoa Greenway is a 21.2-mile trail with numerous branches and spurs that connects parks and neighborhoods in Alcoa and Maryville.

About the Route

There is trail signage and some of the route has mile markers. Where the cities meet, Mile 0 begins on the greenway. From that point head north through Alcoa or south to and around Maryville. The route includes numerous branches, spurs and loops.

The trail connects many parks including Springbrook Park in Alcoa, and Bicentennial Park and Sandy Springs Park in Maryville. The greenway includes loops through several of the parks it passes and offers links to shopping
