The Jones Point Path occupies an abandoned motor vehicle route (old US Route 9W). The path provides bicyclists with a relatively safe bypass to a dangerous section of busy US Route 9W near Bear Mountain, NY. It also serves as a connecting trail between two popular parking lots/trail heads used by day hikers.

Jones Point Path

New York

States: New York

Counties: Rockland

Length: 2miles

Trail end points: Jones Point to near Iona Island (US Route 9W)
