Downs Park Trail is located in Downs Park on the Chesapeake Bay just north of Gibson Island. The 3.5-mile perimeter trail is paved, popular for walkers and cyclists alike, and an additional 1.5 miles of natural surface trail are offered. The trail passes through a heavily wooded corridor, skirting the bay and Bodkin Creek inlet.

The 245-acre park also has ball fields, handball and basketball courts, boating, group camping areas, picnic pavilions, fishing pier, beaches (including a dog beach), visitor center and playground. There is a fee; park hours are 7 a.m. to dusk, Wednesday through Monday (closed Tuesdays).
