The Withlacoochee Bay Trail extends from the Gulf, north of Crystal River and south of Inglis, nearly 5 miles east to just beyond North Suncoast Boulevard. The trail provides access to a 758-acre equestrian area, picnic pavilions and a canoe launch. It's also part of the Marjorie Harris Carr Cross Florida Greenway, a developing 110-mile trail stretching from the Gulf of Mexico to the St. Johns River.

There are plenty of birding opportunities as well as observation decks along the barge canal, which the trails follows. There are several side trails, including some through Felburn Park.

Be sure to also visit the nearby [Withlacoochee State Trail](#).
