Feaster Trail

Arkansas

The Feaster Trail in the city of Arkadelphia connects the city's parks with the business district, medical centers, recreation

The Feaster Trail in the city of Arkadelphia connects the city's parks with the business district, medical centers, recreation centers and the campuses of Henderson State University and Ouachita Baptist University (OBU). At the campus end of the trail, an overlook offers nice views of the Ouachita River.

Foot traffic can continue past the eastern terminus and continue on OBU's cross-country course then loop back the 8th Street parking area.
