The highly urban Seattle Waterfront Pathway is a continuation of the [Elliot Bay Trail](#) and carries on south from Broad Street south to South Royal Brougham Way. The trail parallels Alaskan Way along Elliot Bay, past ferry terminals, cruise ship docks, restaurants, the aquarium, and a park. It's a great place for watching cruise ships in this vibrant city.

# Seattle Waterfront Pathway

Washington

**States:** Washington

**Counties:** King

Length: 2miles

**Trail end points:** Broad Street to South Royal  
Brougham Way (Seattle)

**Trail surfaces:** Asphalt

**Trail category:** Rail-Trail
