Huron River Greenway MetroPark Trail

Ohio

The Huron River Greenway MetroPark Trail has two separate segments, each just under 1 mile long. The northern (Huron)

The Huron River Greenway MetroPark Trail has two separate segments, each just under 1 mile long. The northern (Huron) segment runs from DuPont Marsh State Nature Preserve off River Road and heads south about 0.9 mile, ending at a gate on River View Drive in Franklin Flats. The other side of the gate is private property, so do not trespass.

The southern (Milan) segment runs from the end of N. Main Street and heads north 0.9 mile to end at a barricade across the trail. Again, the other side of the barricade marks private property.
