*The Wellston Bike Path is just under 2 miles, but when combined with the path around Lake Alma, you can make it a 5-mile round-*

The Wellston Bike Path is just under 2 miles, but when combined with the path around Lake Alma, you can make it a 5-mile round-trip. North of town, the path parallels State Route 349, making for a pleasant journey to and from the lake along a non-motorized route. At grade crossings include State Routes 93 and 349. The path occupies part of an old railroad corridor.

# Wellston Bike Path

Ohio
