Celina Coldwater Bikeway

Ohio

The Celina Coldwater Bikeway is an early rail-with-trail project from the 1980s. Long a popular trail, users follow the Penn Central

The Celina Coldwater Bikeway is an early rail-with-trail project from the 1980s. Long a popular trail, users follow the Penn Central Railroad between the village of Coldwater and the city of Celina, ending in the north near Grand Lake, the largest inland lake in Ohio.

The route between the communities is dominated by views of the active railroad line to the west and cultivated fields to the east.

Celina Coldwater Bikeway

Ohio

States: Ohio

Counties: Mercer
