The JFK Walking Trail is a hidden gem created to be part of the Pottsville Community flagship recreation complex. The paved trail

The JFK Walking Trail is a hidden gem created to be part of the Pottsville Community flagship recreation complex. The paved trail is located behind the tennis courts and pool. A stylish sign complete with picket fence marks the entry way to the trail which is titled: "The City of Pottsville Bike Path and Jogging Area."

It is well shaded in the summer time and used heavily by local residents. Dogs are welcome and the trail includes a unique amenity, a water fountain designed just for dogs. The trail also has very informative signs identifying trees along the path and their characteristics.
