The Oakwoods Trail system runs through a 155-acre nature preserve bordering Interstate 75 southwest of downtown Findlay.

The Oakwoods Trail system runs through a 155-acre nature preserve bordering Interstate 75 southwest of downtown Findlay. The preserve features a small lake, woodlands and meadows. The trails form three main loops, and a small section occupies an abandoned rail bed. The park has fishing (handicap accessible), picnicking, wildlife viewing and a discovery center.
