Salt Trail *Virginia*

Virginia's Salt Trail runs for more than 8 miles between the small community of Saltville and the larger borough of Glade Spring. The

Virginia's Salt Trail runs for more than 8 miles between the small community of Saltville and the larger borough of Glade Spring. The trail is popular with equestrians and can get muddy and eroded in places during different times of year.

Much of the trail passes through a pastoral landscape of farms and woodlands, crossing several roads. The trail includes some on-road segments near Saltville and also incorporates other local paved trails.
