## Blackford Pedestrian Bridge

Kentucky

*The Blackford Pedestrian Bridge qualifies as a rail-trail because it crosses a refurbished railroad bridge over the Tradewater River,*

The Blackford Pedestrian Bridge qualifies as a rail-trail because it crosses a refurbished railroad bridge over the Tradewater River, linking Blackford, in Webster County with Crittenden County. The trail is just under 1 mile long and is locally known as Veteran's Memorial Bridge to honor Korean War POW/MIA PFC Thomas R. Robertson. From the bridge you get scenic views above the river.
