trail network called the [Carolina Thread Trail](#), which will link 15 counties across North and South Carolina.

Kings Mountain Gateway Trail is situated in a beautiful natural park setting offering a picnic shelter, restrooms, drinking fountains, and parking. Much of the park is heavily wooded and the trail is suitable for hiking and biking. The trail travels through property that was once used for mining and, along the way, you will see two hills made of rock removed from the old quarries.

One day, the trail is planned to stretch 8 to 10 miles to connect the city of Kings Mountain, Crowders Mountain State Park, Kings Mountain State Park, Kings Mountain National Military Park, the Overmountain Victory Trail, and the Appalachian Trail. It's currently part of a regional
