Turtle Rock Trail

California

The Turtle Rock Trail meanders its way through the neighborhood of the same name in southern Irvine. The path is a short—but—

[Canyon Trail](#) at the Turtle Rock Trail's southern end or the [University Trail](#) at its northern end

The Turtle Rock Trail meanders its way through the neighborhood of the same name in southern Irvine. The path is a short—but—serious aerobic workout, as it features climbs to the trail's high point at Ridgeline Drive from both endpoints.

About the Route

Common to Irvine's well-regarded trails, the Turtle Rock Trail features attractive landscaping, and several parks dot the route. The concrete path meanders through dense neighborhoods and small green spaces.

Connections

Reach the scenic Quail Hill Preserve via either the [Shady](#)

Turtle Rock Trail

California
