The John C. Phelps Trail is a part of the City of Dallas trails system that provides connections between neighborhoods, schools, parks, public transportation, and other community facilities. Along with the [Honey Springs-Cedar Crest Trail](#), the John C. Phelps Trail forms 6 miles of paved paths in southern Dallas.

Although the trail is currently split into two sections, there are plans to connect them for a total of 2.7 miles of trail. Running along S Corinth St Rd and E Illinois Ave for 1.2 miles, the trail curves around the Cedar Crest Golf Course. At .8 miles long, the shorter trail segment acts as a connection between Wonderview Park, Boren-Hilseweck Park and John C. Phelps Park, as well as connecting the neighborhoods west of Corinth Street with the DART's Illinois Station.

John C. Phelps Trail
