Polly Grimshaw Trail

Indiana

Bloomington's Polly Grimshaw Trail is a short rail-with-trail that provides a crucial link from the city's east side to State Route 45,

Bloomington's Polly Grimshaw Trail is a short [rail-with-trail](#) that provides a crucial link from the city's east side to State Route 45, close to Indiana University. The trail runs between apartments and an active rail line. In the east, the path originates in Park Ridge Park, which offers playground equipment and a small picnic shelter. For this reason, the trail is occasionally called the Park Ridge Bike Trail.

Polly Grimshaw Trail

Indiana
