Middletown Road Sidepath

Maryland

The 3-mile separated multi-use path along Middletown Road allows for safe recreation and transportation along the western side of

The 3-mile separated multi-use path along Middletown Road allows for safe recreation and transportation along the western side of Waldorf, Maryland. The trail begins just south of State Route 228 and runs to Billingsley Road, approximately 1 mile north of the [Indian Head Rail Trail](#). Residential neighborhoods—interrupted only by the large campus of Westlake High School—line the suburban route.

Middletown Road Sidepath
