Peeler Park Greenway

Tennessee

Overview The Peeler Park Greenway is a 2-mile out-and-back paved trail in Peeler Park. About the Route The Peeler Park

Airfield within the park. The trail is managed by the Nashville Parks & Recreation

Please note that cyclists and pedestrians are not allowed on the unpaved horse trails and horses are not allowed in the paved trails.

Connections

Peeler Park Greenway is one of many trails that form Nashville's system of greenways. Nashville's greenways link neighborhoods, schools, shopping areas, the downtown area, offices, recreation areas, open spaces and other points of interest.

Overview

The Peeler Park Greenway is a 2-mile out-and-back paved trail in Peeler Park.

About the Route

The Peeler Park Greenway is a short, multiuse trail that runs along the river through the wooded Peeler Park. From the southern trailhead on Neelys Bend Rd, the trail heads northeast along the river, meandering and loop through the park.

Trail users may also catch a glimpse of a remote-controlled plane or two being piloted from the R/C
