Erwin Linear Trail

Tennessee

Closure notice: Due to Hurricane Helene, the Erwin Linear Trail is temporarily closed. Overview The Erwin Linear Trail (a.k.a. the

changing into light industrial areas on the western edge of the town of Erwin.

As the trail enters the center of Erwin, the trail once again transitions out of its wooded environment and passes by a local McDonald's and other chain establishments. South of here, the trail once again leaves that urban environment and heads south past Bark Park (185 N Industrial Dr), before reaching its southern endpoint along Jackson Love Hwy.

Closure notice: Due to Hurricane Helene, the Erwin Linear Trail is temporarily closed.

Overview

The Erwin Linear Trail (a.k.a. the Erwin Greenway) parallels I-26 along North Indian Creek and Nolichucky waterways for 4.3 miles. The trail is paved and mostly flat, coursing through the Cherokee National Forest northwest of Banner Hill.

About the Route

The trail traverses a variety of environments, from winding through the wooded areas and past natural ponds and wetlands lakes along the northern end of the route,
