The Cave Creek Wash Trail is a paved multi-use trail along the banks of Cave Creek in Phoenix. The trail consists of two

The Cave Creek Wash Trail is a paved multi-use trail along the banks of Cave Creek in Phoenix. The trail consists of two disconnected segments, the longest of which is the southern section. This section also traverses Cave Creek Park and connects to both the [Arizona Canal Path](#) and the [Cave Creek Tributary Trail](#). The shorter northern section provides access to Werner's Field Park.

Both sections provide access to residences, businesses and other recreational opportunities.

Cave Creek Wash Trail
