Saratoga Creek Trail follows the winding course of the creek between just south of I-280 (Junipero Serra Freeway) and Saratoga Creek Park. The trail parallels the Lawrence Expressway/County Route G2 through a strip of greenway, passing through Tantau Park, Murdoch Park and Saratoga Creek Park.

The trail is paved between its northern endpoint and the south end of Murdoch Park. In this section between the park and neighboring elementary school, the trail takes two routes (one is paved and the other is gravel). The trail is also gravel between the south end of Murdoch Park and the trail's southern endpoint at English Drive.
