The Virgin River South Trail is a part of the St. Georges trail system. It stretches 6 miles through the the Bloomington neighborhood of St. George.

Just Southeast of downtown St. George, the northern section of this trail runs along the Virgin River from Springs Park to E Vermillion Ave, a cul-de-sac located in the Bloomington Hills neighborhood. This section connects to nearby trails like the [Webb Hill](#) Trail and the [Santa Clara River](#) Trail.

The southern end of the trail starts off where the [Virgin River North Trail](#) ends at Man O' War Boulevard at Bloomington Park and travels a short distance south to where it ends near the Sun River Golf Club.
