The Dam Neck Road Trail is one in a series of suburban trails in the Virginia Beach area for non-motorized use. The trail runs parallel to its namesake road between Salem Road and Terrier Avenue, along the southern border of the Dam Neck Naval Air Station. The trail passes among a few neighborhoods along the way but does cover more open countryside than many of the Virginia Beach area trails.

Near its eastern terminus, the Dam Neck Road Trail intersects the [General Booth Boulevard Trail](#) at the road of the same name.
