East Bay Municipal Utility District Right-of-Way California

The East Bay Municipal Utility District Right-of-Way, as its name suggests, is a trail open on a utility corridor in Stockton, although

The East Bay Municipal Utility District Right-of-Way, as its name suggests, is a trail open on a utility corridor in Stockton, although that city is generally considered to be outside the informal boundaries of the East Bay. The trail spans 5.5 miles in three disconnected segments, but surface streets and sidewalks can be used to bridge the gaps.

East Bay Municipal Utility District Right-of-Way California

States: California

Counties: San Joaquin

Length: 5.5miles

Trail end points: Brookside Rd. and Gleneagles

Dr. to SR 99 north of E. Hammer Ln.
