The Pittman Wash Trail follows what is usually a dry wash through residential neighborhoods in Henderson, a southern suburb of Las Vegas, from Pebble Road north to the Arroyo Grande Sports Complex. The trail is paved and the wash corridor is fairly narrow.

The trail features nice landscaping, benches and picnic tables, as well as water fountains and clean restrooms at Pecos Legacy Park. You will also find hiking trails, running paths and mountain bike trails down in Pittman Wash between N. Green Valley Parkway and N. Valle Verde Drive.
