The Little Jersey Trail loops through Lums Pond State Park on a wide, packed earth surface that accommodates hikers, cyclists and

The Little Jersey Trail loops through Lums Pond State Park on a wide, packed earth surface that accommodates hikers, cyclists and equestrians. The trail is the longer of two loops; the [Swamp Forest Trail](#) runs closer to Lums Pond at the center of the park, but that trail does not allow equestrian use.

Users of the Little Jersey Trail will traverse hardwood forests and the edges of fields and experience a wide variety of the park's natural charms.

Little Jersey Trail

Delaware

States: Delaware
