Little Bear Creek Linear Park

Texas

The Little Bear Creek Linear Park is a popular community amenity in the northern Texas town of Keller. The trail begins by paralleling

The Little Bear Creek Linear Park is a popular community amenity in the northern Texas town of Keller. The trail begins by paralleling Rapp Road before veering south as it approaches Willis Lane. The northern half of the trail winds through pleasant residential areas before becoming more scenic as it begins to follow the lush creek corridor. The large shade trees, native grasses and other vegetation along this portion of the trail create a relaxing and enchanting backdrop.

Mid-trail, you will come across the Chase Oaks Activity Node (at 1609 Chase Oaks Drive). This family friendly area features a playground, picnic tables, drinking fountain and half-size basketball court.

Little Bear Creek Linear Park

Texas

States: Texas

Counties: Tarrant
