The Pool Road Trail begins in Grapevine, a small Texas town known for its mustang grapes and wineries. The trail travels south along its busy namesake roadway and provides an important connection to Colleyville, another Dallas-Fort Worth suburb.

The well-marked, concrete pathway also offers a safe and convenient route for children as it runs adjacent to Cross Timbers Middle School and Glenhope Elementary School. Mid-trail, it crosses the Big Bear Creek area for additional recreational opportunities.

Pool Road Trail

Texas
